As an enthusiastic promoter of Christian education for the youth of Alameda and its environs, the Reverend Alvin P. Wagner has recently remodeled St. Joseph High School in anticipation of the twenty-five years of secondary education under the direction of the Marianists. In appreciation, we, the Senior Class of 1959, gratefully dedicate our 1959 POWERDIVE to the Reverend Pastor of St. Joseph, Father Alvin P. Wagner.

Class of '59
St. Joseph High School
Alameda, California

June, 1959

Dear Graduates,

As you reach a long desired goal in your graduation from St. Joseph High School, you feel a well-deserved pride of accomplishment. The faculty joins with your parents, relatives, and friends in congratulating you and wishing you well for the future.

During your high school years you have written a record of accomplishment which you have seen concretely indicated on report cards and test results. There has been much attention to grades and daily achievement in your various courses. But we must not lose sight of the fact that, important as these things are, there are more important and far reaching factors involved in your education if you are to be able to consider your efforts a success.

These important factors do not appear on the report card or transcript of record, but they are the true measure of a Marianist education.

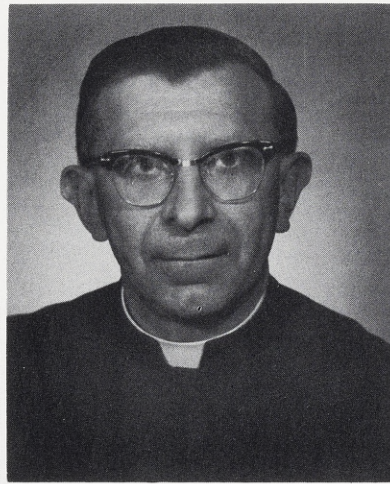

If, during your years at St. Joseph High School, you have developed a virile filial devotion to our Blessed Mother Mary, if you have deepened and strengthened your Faith in the Catholic Church, if you have learned to love truth uncompromisingly, if you have grown in devotion to duty and a sense of personal responsibility, in short, if you have become real Christian men, then you have achieved success in your education. If you have missed these attitudes and ideals, you have failed.

It is our most ardent hope that you have achieved success, and that these traits will be with you all your life to carry you successfully to your goal, your eternal home.

Sincerely yours in J. M. J.,

Roland J. Hinger, S.M.

The Student Council, the governing body of the school, is proud to report a very successful year to the students. The Student Council which is composed of the Student Body President, the Secretary-Treasurer, and two officers from each division, began its year by voting to divide the profits of its six dances into 30 per cent each for the Seniors and Juniors and 20 per cent each for the Sophomores and Freshmen.

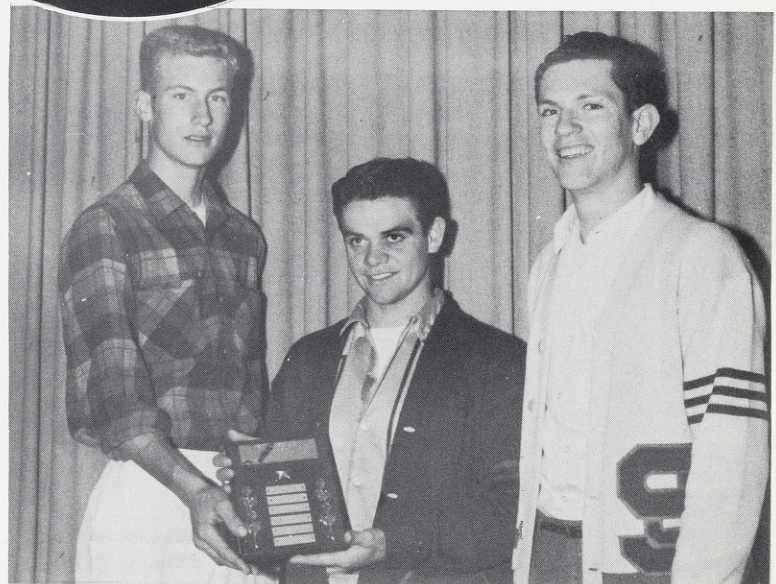

The answering of students' questions by Alameda Policemen highlighted the Student Council sponsored assemblies, which promise to be even better in quality and quantity during the remainder of the school year.

The institution of the Athlete of the Month Trophy was one of the steps taken by the council to instill an active interest in sports by the students. The winner of this award is chosen by the council in cooperation with the team's coaches.

-MATTERI - PREP OF WEEK

Dave Matteri, a Junior sporting three Varsity Letters, was chosen by the East Bay Prep Writers Association as a Prep of the Week this year. He and the team's Coach, Jim McBride, were guests of the writers group at its weekly luncheon meeting at the Villa de la Paix in Oakland, and were interviewed on Milt Gamble's Teen Age Scoreboard over Radio Station KLX.

ATHLETE OF THE MONTH

The newly instituted Athlete of the Month Trophy has been engraved with the names of two basketball players as of this writing, those of Dave Matteri and Mike Schirmer.

Dave was chosen by the Student Council to be the first athlete to receive this award because of his constant hard playing surmounted by his 26 point scoring effort against Bishop O'Dowd.

Mike Schirmer, the team captain, was given the award because he has shown throughout his playing career that he is strictly a team man while at the same time accumulating quite an impressive scoring record. As the team captain this year, Mike constantly held the team together and led them to their first league victory over Bellarmine.

LEFT TO RIGHT: Jerry McCormick, Mike La Torre, Tom Murray, Ron Camacho, Mike Pickard, Roger Guichard, Tony Guichard, Freddy Faiella.
